Broader Visual Language

The broader visual language draws inspiration from the natural rhythm and texture of Western Australia's farmland. The fine, organic linework reflects cultivated rows and the flow of growth, creating a sense of movement and vitality. This pattern complements the brand's agricultural roots and reinforces IHSeeds' expertise in nurturing strong, reliable pastures.

Fonts

The font used is **Raleway**. This font can be used for headings and titles. **Raleway** is to be used for all body copy and headings. It contains many weights for flexibility. It can be downloaded from <https://fonts.google.com/specimen/Raleway>
